SMASH THE NIGGER REVOLUTION NOW!

Official Publication of the American Nazi Party

THE ROCKWELL REPORT is published fortnightly by the American Nazi Party at 928 N. Randolph St., Arlington, Virginia, U. S. A. Single copy, 50¢. One year, mailed first class in plain, unmarked envelope, $10, Air Mail, $11. One month, $1. Clippings welcomed.

The AMERICAN NAZI PARTY is primarily a COMBAT organization. It is organized, not to produce literature, pray, write letters or talk, but to FIGHT communism, Zionism, degeneracy and race-mixing.

And if ever there was a time to FIGHT, -it is NOW!

The black rebellions all over America are not "peaceful assemblages" for the "redress of grievances" as guaranteed by our Constitution.

They are naked, physical THREATS of nightmarish MOB ATTACKS.

They are not planned to promote the "will of the people".

The American people HATE RACE-MIXING!

Only the hypocritical politicans, crazy about the "Negro vote" pretend that Americans really want to integrate 100%.

The deadly "demonstrations" by hundreds of thousands of Negroes have nothing to do with the "will of the people".

They are planned by the JEWS to enforce the will of the COMMUNIST PARTY and the ZIONISTS!

The whole campaign has ONE END: passage of a nightmarish "law" which will once and for all destroy PRIVATE PROPERTY -and the privacy of the White Man FOREVER! The Marxists could never get away with passage of such an OUTRAGEOUS "law" in normal circumstances. So the Jews who lead the NAACP, CORE and the other Marxist nigger agitators have set the savage, ignorant swarms of black men at America's jugular vein! Then the Jews who manipulate our President and Congress can whine that we MUST pass this red "law", --because of the deadly THREAT of the nigger revolution!

The nigger "marches" in our great cities have a PATTERN.

And it is the pattern of COMMUNIST REVOLUTION!

In every Country taken over by the reds, the first act has been rioting and mob actions IN THE STREETS!

"Give us SPECIAL rights", the arrogant black rioters demand, "and to Hell with the Constitution, -or we MARCH, -and there just MIGHT be bloody RIOTS!"

Either we BOW to the nigger revolutionists, or they unleash TERROR IN THE STREETS!

The pretty words about "rights" and "negro impatience" by the whole damned Jew press do not change the character of what is going on NOW in our once-proud America. These are the first blows of the COMMUNIST REVOLUTION in America! It's HERE!

And so far, White Man, their red revolution is WORKING!

There has been no significant organized, effective White opposition.

Sure there have been Whites who went after the coons with clubs, and they even shot one. But all they accomplished was to provide the agitators with heart-breaking photographs to inflame MORE nigger rioters and win the sympathy of millions of soft-headed "liberals" all over the earth.

All the prayers, petitions, letters-to-the-editor, letters to senators, private "right-wing rallies", literature and eternal pleas for money by "our" side hasn't even slowed down the damnable communist black tide! So far, not ONE of the so-called right-wing "leaders" has DARED to face the ugly, black enemy OUT IN THE STREETS WHERE THE FIGHT IS GOING ON!

All the clubs, guns and Cross-burnings of the entire South can't beat the filthy thing. The President of the United States is determined to fight for the "negro vote" so the politicians can STAY IN OFFICE, and he can and will use the Army, Navy, Air Force and even the atomic bomb, if necessary, to keep the NIGGER VOTE!

It is clear that we CAN'T stop the destruction of White Christian America by talk and prayers, -and we can't do it by force and law-breaking either.

What, then, is left to us. How CAN we survive?

The answer is the ONE THING all the rest of the right wing leaders are scared to death even to mention, let alone lead, --MASS COUNTER ACTION!

If it is legal for Communists, Niggers and red Jews to "march" by the tens and hundreds of thousands, then it is legal for the White Man, too.

Troopers carrying our banner, "White Man . . . Fight!" by the White House.

Our banner arriving across the street from the niggers.

Nigger cop insulted by our two "apes" leading the nigger march.

Police dragging our "monkey" out of tree during nigger march.

On August 28th, this summer, the nigger revolutionists openly threaten to plunge their final dagger into the beating heart of our Republic with a mass march of three hundred thousand niggers on our National Capitol, with an illegal final assault on our very Congress itself!

If this sort of mob is "constitutional", then, by God, it must be constitutional for the WHITE MAN to COUNTER-MARCH on those niggers!

And that's exactly what we are going to do!

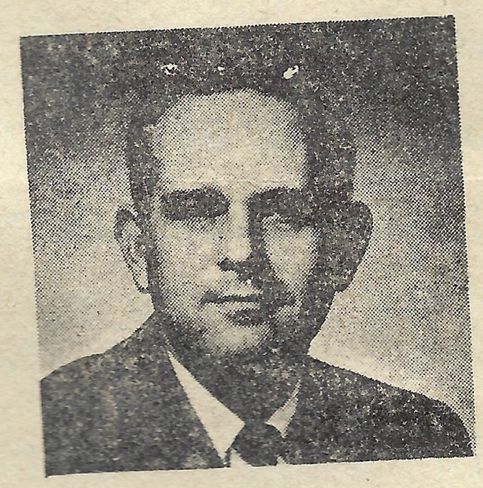
We have already proven our ability to draw the fangs of the black "tiger" right here in Washington, when they tried their intimidation tactics last week.

Herewith we reproduce an actual, amazing letter from a COMMUNIST, who, as you will see, ADMITS he is a Communist who is running in Maryland on the COMMUNIST ticket, and was carrying a CORE picket sign with the nigger demonstration! He ADMITS that the American Nazi Party "stole the show" from the Jews and niggers! WE DID! We marched with a FIFTY-FOOT banner, reading, "WHITE MAN, --FIGHT!!" -right in the very middle of the



The Right Honorable
Commander Lincoln Rockwell

Dear Commander:

Greetings ... I would like to commend you for the excellent Demonstration your Nazi group mounted ... to celebrate Friday, June 14, 1963. Although I was, obviously, standing on the other side of the street with a Core placard ... I had to admit that your organization stole the scene and presented a model for the Core organization to shoot at in the future.

As a master politician ... I hope you are going to seriously consider entering the Presidential Primary Election next May 5 in the District of Columbia. You may find that it is against your principles to reduce yourself to be labelled as either a Republican or Democratic Nazi ... but I would suggest to you the opportunities that may come to you in the way of free TV exposure ... if you join me and file in the Republican Primary. I figure if you could see your way clear to call yourself a Nazi Republican Presidential Candidate ... what with my own Communistic Republican Presidential Candidacy ... the D. C. Primary would be very interesting ... and offer the plain voter a little variety for a change.

Kindest regards,
William A Albaugh

whole ugly ten thousand of them. In addition, we had two men in ape-suits out LEADING the nigger march with a big banner, "JOIN OUR MARCH FOR CIVIL RIGHTS!". While the head niggers were giving their usual Uhuru speech, photographs prove that 2/3 of the crowd were watching our apes running up the trees, throwing bananas to the coons, and otherwise lousing up the "human dignity" of the cannibal "freedom fighters".

At the same time, our defiant NAZI picket right in the midst of the black swarm put new hope in thousands of Whites, who called or wrote to us.

So far as we know, we are the ONLY, organized White group which has ever gotten out in the streets to defy these rampaging blacks.

Until our COUNTER demonstration, the White Man had no organized representatives IN THE STREETS WHERE THE FIGHT IS GOING ON.

Wherever the nigger mobs have appeared, they have been opposed only by COPS, -who provide exactly what the niggers want with their dogs and the clubs to produce "martyrs" for the niggers, -or by small groups of courageous but mistaken Whites who wind up getting clubbed, jailed or run off the scene.

The White Race now desperately needs ORGANIZED LEADERSHIP to STAND UP IN THE STREETS TO THIS BLACK REVOLUTION!

We have been training to iron discipline, hardness and organization for five years JUST for this moment, which we have been predicting. Our young men are ready to LEAD a legal FIGHT against this filthy, black thing!

And the area around here is FULL of angry, frustrated Whites, just itching for LEADERSHIP and organization.

To teach the black revolutionists a lesson they will never forget, all we need is a chance to REACH these people and organize them.

Thanks largely to the great Senator Harry Byrd, Virginia is still run by LAW, --not by Jews, Communists or niggers ("minority groups"). I believe that our rights to speak here will be upheld, so long as we obey the law, as we always do.

BATTLE BEGINS JULY 4th

On the Fourth of July, I am going to start a marathon campaign the Jews and enemies of White Christian America will NEVER forget. For six weeks, I will speak all day long, in every city, village and hamlet in this great State of Virginia, urging White Patriots to come and stand with us against the nigger march on our Capitol in August.

I have reason to believe the great General Walker might be willing to stand with us, and perhaps even help manoeuver our White Mass tactically against the Nigger "Army".

The White Man is MAD!

White Christian America now has the GREATEST OPPORTUNITY we have ever had to get together and FIGHT, and we mean to plunge the sword in to the HILT! We can be just as "non-violent" as any niggers in the world!

Without breaking a single law, we can bring the black juggernaut to a screeching HALT and put new heart in our discouraged White Race. With the weapon of MASS ACTION, we can put ONE HUNDRED THOUSAND GRIM-JAWED WHITE MEN SQUARE IN THE PATH OF THAT BLACK SWARM WHEN THEY TRY TO MARCH UP CAPITOL HILL THIS SUMMER!

After our defiance of the niggers last week, we got dozens of calls from young White Men who saw it and offered groups of twenty to fifty of their friends to stand with us. With an all-out campaign for the next six weeks, we CAN INSPIRE AND BRING OUT THOUSANDS.

I will be out front, personally leading this fateful last stand of our RACE on August 28th. With me will be EVERY member of the Party who can make it to Washington. We will be risking our lives, liberty and the whole future of the Party.

I ask every red-blooded American who is sick of talk and wants to see VICTORY, for a change, to BACK this campaign. We need people, cars, paper, walkie-talkies, tents, --anything, -but especially funds, -money to keep GOING and FIGHTING.

Do YOUR share.

We will lay our lives and liberties on the line.

The enemy will either back down, --or he will be WHIPPED, old fashion-AMERICAN syle, on August 29th, 1963!

WHITE MAN... FIGHT!
